Paeonaeiflorus—Double, rosy pink.
Prices, 2 to 3 feet, 50c each; \$4.00 per 10.

Buddleia—Butterfly Bush

A new shrub that has become a favorite. Flowers resemble lilacs and are excellent for cut flowers. Blooms from mid-summer on to frost, and is quite attractive to butterflies. Price, 3 to 4 feet, 50c each.

Calycar

A well-known old-fashioned shrub. Price, 2 to 3 feet, 60c each.

Crep

One of the best known shrubs in the South. Produced in the South. Will attain growth of 10 feet, and red, and

Flowering Quince

The branches are covered with sharp spines and dark, glossy leaves. In early spring the plant is a red blaze of color. A large growing shrub. Price, 3 to 4 feet, 75c each.

Forsythia (Golden Bell)

The well-known shrub, heavy dark green foliage, flowers in early Spring, blooming before the leaves appear. A shrub adapted to all climatic conditions. Can be used for growing singly or for a background when planted with other shrubs. Price, 3 to 4 feet, 75c each.

Hydrangea

Hydrangea arborescens grandiflora alba—A vigorous, early flowering hydrangea with large panicles of white flowers. It grows naturally into a compact bush. Price, 18 to 24 inches, 75c each.

Hydrangea paniculata grandiflora—A vigorous grower and fine bloomer. Blooms from July until frost. Flowers white and borne in immense panicles. An old favorite. Price, 18 to 24 inches, 75c each.

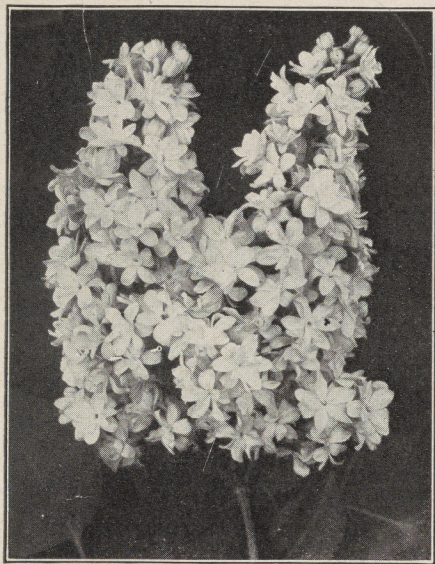

Althea.

Butterfly Bush.

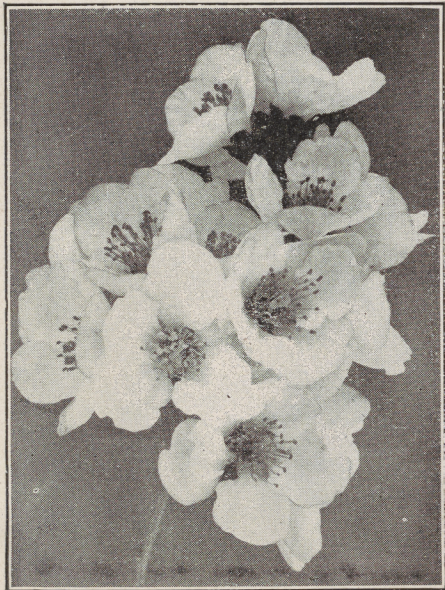

Hydrangea paniculata grandiflora.

Lilac.

Visit our Flower Store when in Washington. Make it your headquarters.

Japanese Flowering Quince.

Jasminum (Winter Jasmine)

A graceful shrub with bright green foliage and yellow flowers that appear very early in spring. An excellent shrub for shady locations. Price, 2 to 3 feet, 50c each.

Lonicera Tartanica (Bush Honeysuckle)

The Bush Honeysuckle. A strong, vigorous plant. Blooms in early summer. Flowers red and pink. Price, 2 to 3 feet, 50c each.

Philadelphus—Mock Orange

Coronarius—Strong, vigorous grower. Flowers are pure white and are produced in clusters. An excellent shrub for grouping with other plants. Price, 2 to 3 feet, 50c each.

Gordonianus—Flowers are white, blooms later than coronarius. Price, 2 to 3 feet, 50c each.

Weigela Rosea

The most beautiful of all varieties. A vigorous grower flowers are a deep pink and borne in great profusion. A very desirable plant for the border, for grouping and as specimen plants for the yard. Price, 2 to 3 feet, 50c each.

W. Eva Rathke—A charming new Weigela; flowers brilliant crimson; a beautiful, distinct, clear shade. Mid-summer. Price, 2 to 3 feet, 50c each.

Spirea

Anthony Waterer—A hardy, dwarf, compact shrub that is especially desirable for borders. Flowers are bright crimson lasting until frost. Price, 75c each; \$6.00 per 10.

Prunifolia (Bridal Wreath)—Flowers are small, double and white. A medium growing shrub of graceful habit. An old favorite. Price, 50c each; \$4.00 per 10.

Van Houttei (Bridal Bower)—One of the most beautiful and satisfactory of all flowering shrubs. In early spring the drooping branches are a solid mass of snowy white flowers. It is hardy and thrives most anywhere. Desirable as a specimen and for massed planting. Price, 2 to 3 feet, 50c each; \$4.00 per 10.

Thunbergi (Snow Garland)—A small growing shrub of graceful drooping branches. Leaves narrow and yellowish green. Flowers are small and white. An early bloomer. Price, 2 to 3 feet, 75c each; \$6.00 per 10.

Snowberry—Symphoricarpos Racemosus

An attractive shrub with slender branches and delicate pink flowers followed by large white berries which adhere until late in winter. An attractive shrub for mass plantings. Price, 50c each; \$4.00 per 10.

Vulgaris (Coralberry)—A desirable shrub for shady, dry locations. The foliage is light green. During the winter the branches are covered with conspicuous red berries. Price, 50c each; \$4.00 per 10.

Lilac-Syringa Vulgaris

The favorite of the old-fashioned gardens. A free growing shrub with dark green leaves and delightful fragrant flowers. Colors: Purple, red and white. Price, 75c each; \$6.00 per 10.

Mock Orange.

Snowberry.

A modest home can be made just as attractive as a large estate.

Spirea Van Houttei.

Broad Leaved and Coniferous Evergreens

Broad Leaved Evergreen Shrubs should be used for planting among deciduous plants for the winter effect, and for locations too shady for coniferous evergreens.

Evergreens are always in favor for landscape work. They retain their foliage and color throughout the winter, thus giving an effect otherwise not obtained by using other plants.

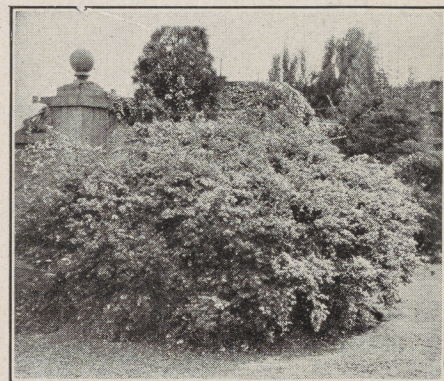

Abelia Grandiflora

Beautiful evergreen shrub of graceful, arching habit of growth. Leaves dark, glossy green, flowers borne in clusters from mid-summer to frost; funnel-shaped, white, and tinged with pink. Admirable for group plantings or for hedges. Price, 75c each; \$6.00 per 10.

Ligustrum (Privet)

Japanese (Ligustrum Japonicum)—A tall growing, handsome, broad-leaved variety with large, dark green foliage. White flowers in spring followed by blue-black berries. This variety stands trimming well. Price, \$1.00 each.

Lucidum (Ligustrum Lucidum)—The foliage of this variety darker green than Japonicum. Large heads of white flowers are produced in early spring and followed by black berries. Thrives well in most any soil and is especially adapted for planting against the house. Price, \$2.00 each.

Abelia Grandiflora.

A few dollars spent in planting shrubs in your back yard will make it attractive.

Landscape Work

TO those who are interested in beautifying their home grounds, we maintain a Landscape Service. We are in a position to furnish complete and satisfactory service. We solicit your correspondence.

Euonymus

Japonica (Japanese Euonymus)—An upright evergreen shrub with dark green foliage. Stands trimming well. A fine plant for the lawn. Price, \$1.00 each.

Carrierei—An attractive, graceful variety of Euonymus. Not as upright as the Japanese variety, but especially desirable where a low evergreen is wanted. Price, 60c each.

Globe Arborvitae (Thuja occidentalis globosa)—A dwarf, globe-shaped evergreen that is well adapted for tubs and urns. Foliage a bright green in summer and a light brown during winter. Price, 15 to 18 inches, \$2.50 each.

Pyramidal Arborvitae (Thuja occidentalis pyramidalis)—An upright, tall grower. Foliage bright green throughout the year. Price, 18 to 24 inches, \$2.50 each.

Chinese Arborvitae (Thuja orientalis)—A tall growing variety with dark green foliage. Price, 18 to 24 inches, \$1.50 each.

Irish Juniper (Juniperus hibernica)—A symmetrical, upright formal variety. Foliage dark green with bluish tinge. Price, 18 to 24 inches, \$1.25 each.

Norway Spruce (Picea excelsa)—A large pyramidal tree with drooping branches. A rapid grower. Price, 18 to 24 inches, \$1.50 each.

Euonymus Japonica.

Rudbeckia

Golden Glow—A strong growing, perfectly hardy perennial. Flowers are rich, golden yellow, produced in abundance during July and August. Price, 10 plants, postpaid, \$1.00.

Special Gladioli Offer

The most satisfactory summer bloomer for cut flowers. They have no equal for borders and for bedding. Mixture is made up of well-known varieties. Price, 25 bulbs, postpaid, for \$1.00.

German Iris

An old-fashioned flower especially adapted for borders, beds, and among perennials. We have about fifty varieties, and as a special offer will deliver postpaid to any address. Separate colors: White, purple, and lavender and variegated. 25c each.

Excelsior Pearl Tuberose

Ideal for late fall garden. Plants are dwarf with large heads of double white, exquisitely perfumed flowers. Will thrive in any well-drained soil. Price, 75c per dozen, postpaid.

Climbing Vines

Clematis Paniculata—Flowers are fragrant, pure white, and borne in abundance during late summer. Price, 50c each.

Wisteria Sinensis—One of the best and hardiest of ornamental vines for training or pergolas and porches. Flowers light purple. Blooms in early spring. Price, strong two-year plants, 75c each.

English Ivy—A desirable vine for covering walls, etc. Price, 1 year from 2 1/4 inch pots, 15c and 25c each, according to size.

Chinese Arborvitae.

American Globe Arborvitae.
